Bhubaneswar, Sept. 14: City-based Ortel Communications has bagged the prestigious ISO 9001 certification from BVQI, a leading international certification agency. The certificate followed audit of all divisions of the company in the city, including SkyView Home Cable, Ortel.net and OTV. "The ISO 9001 certification reinforces our belief in customer focus. Our quality makes us committed to provide value for money, quality of services and range of services to all segments of customers," said B.P.Rath, Vice-president, Ortel Communications, adding ISO certification is the beginning of a long journey to better customer care. •ENS
