

# Net connectivity: Ortel launches Easy Pack

EXPRESS NEWS SERVICE

Bhubaneswar, Dec. 14: Ortel.net, the Internet Service Provider (ISP) arm of Ortel Communications Ltd (OCL), on Tuesday introduced Easy Pack -- a user-friendly surfing package -- which will suit everyone's pocket, an OCL release

said here on Tuesday.

The scheme has two plans. Under the first, a customer can surf for 25 hours for Rs 250 while the second plan costs Rs 500 for 50 hours.

The maximum time limit for the first plan is one month while the second has a maximum user time of three mon-

ths, the release added.

The bandwidth will be the same as any other home use package given by the company. Customers are exempted from making any additional activation charges if reactivated within 15 days of expiry and there is no downward limit.

Customers can download any volume of data without extra cost within the usage period.

"With such a cheap and tailor-made package we will reach out to every section of net users in the market," B.P. Rath, Vice-president, OCL, said.
